PRESIDENT'S REPORT

Once again it's time to do my Annual Report, how quick the season has passed us by.

Again no lives were lost on our beach during patrol hours. Thank you to all members for their commitment in patrolling our beach. We performed 14 rescues on patrol this season, 286 preventions and15 first aid treatments.

Our membership has remained steady.

On a sad note, we lost Peter (Pedro) McHenry this season. Our condolences are extended to his family. Pedro was a long time member of Woolgoolga and Red Rock-Corindi Surf Life Saving Clubs. He also held many positions on the North Coast Branch.

Rowers at the Park Beach Carnival pay their respects to Pedro McHenry

Fundraising has once again been excellent this season. The raffles at the Seaview Tavern, Moonee Tavern and the Woolgoolga RSL, along with the Woolgoolga C.ex Black and White Bowls Day, were very successful.

Thanks to all of our patrol sponsors for their support this season.

The building of the new clubhouse is moving at snail's pace but there is light at the end of the tunnel.

On the competition side, our boat crews have had another good year with medals at most carnivals.

Our Junior numbers were a little down but with a big push we should get them up for next season.

On a final note I would like to thank John, Trevor, Brian and the committee for their support this season.

Les Pepper

CLUB CAPTAIN'S REPORT

No lives lost on our beach!

This year was another special year for Woolgoolga with no lives lost at our beach during and out of patrol hours. We performed 14 rescues while on patrol, a big increase on last year, and some of our members performed rescues out of patrol times. Congratulations to our teams for conducting themselves professionally, even under pressure. I believe our beach is safer from the preventions and rescues that we provide.

Less member patrol hours, more members completing 100%

This year we did over 4228 patrol hours collectively which is around 900 hours less than last year. This is largely due to the drop in patrolling members but on the upside we had 33 members complete 100% of their patrols which is an increase from last year.

SLSC numbers are dropping nationally and we're working hard to rebuild community interest and get more people involved. We all have different drivers for being part of this club. Volunteering is rewarding as you give back to the community. Competing in different activities is both healthy and fun. Besides, where would you rather be on a weekend than by the beach. Thank you to those members for helping pick up the slack after the drop in numbers.

Keeping the beach safe

Along with 14 rescues, we also collectively performed 15 first aid treatments and carried out 386 preventions. These activities have a direct bearing on how safe our beach is – it's not just about the ocean conditions and your continued vigilance pays off.

Thank you

- ✓ We would like to thank the Patrol Captains for their hard work throughout the season
- ✓ Thanks to patrol sponsors who enable us to keep our life saving equipment maintained, up to date and compliant with Surf Life Saving regulations.
- ✓ Thanks also to the trainers, assessors and people who helped out and ran the proficiency days. We have been able to hold onto the majority of our Bronze and SRC members from last year who are now stepping up and furthering their qualifications. In doing this they have been setting a great example to the new Bronze and SRC members this year.
- ✓ Thank you Patrick and Jackson for developing and running activities for the teenage members out of patrol times. You did well this year to link junior members with experienced patrol members and maintain a fun learning environment.
- ✓ A big thank you to Trevor, Les, Ted, John, Sue and the other committee members for all their hard work throughout the season. Much work occurs behind the scenes which isn't visible to everyone.

Patrol Efficiency Award

This year Patrol Team 6 won the Patrol Efficiency Award. Team 6 members are:

Brian Sedivy, Kirt Mavin, Melissa Hyder, Elliotte Hyder, Heather Burrows, Ben Burrows, Darcy Dalton, Reilly Dalton, Tim Della, Liam Bartlett, Grant Cook, Kiahni Huthnance, Joel Ruttiman, Sarah Goodman, Alice Schweikert, and Chelsea Johnson.

We assure you this is not rigged. Every patrol was assessed during the year in regard to running practice scenarios, setting up equipment, managing the beach and skilling their members in all aspects of the club. We are especially impressed with the attitude of our new members embracing the learning experience.

100%ers

The 100% patrol members from each team are as follows:

Team 1 – Patrick Mullan, Trevor Acason, Robert Wright, Bowen Frahm.

Team 2 – Peter Brown, Barry Mackenzie, Belinda Schofield, Ian Thorncroft, Lani Goodman, Jacob Sutton.

Team 3 – Dean Evans, Di Holt, Adam Rees.

Team 4 – John Eyles, Ted McCartney, Mick Slater, Jackson Della, Tomas Snowling, Lachie Bell.

Team 5 – Les Pepper, Jim McCullagh, John Portsmouth, Garry Westwood.

Team 6 – Kirt Mavin, Brian Sedivy, Melissa Hyder, Heather Burrows, Ben Burrows, Reilly Dalton, Joel Ruttiman.

Next season we hope to improve the process for being able to easily swap patrols when needed. We know that life is busy with lots of things competing for time.

We hope to see all the regular members back for the 2016-2017 season and welcome any enquiries for new memberships for the coming season. If you have friends or family members interested in joining the Surf Club please contact us to discuss it further - as we need to increase our numbers to assist to keep our patrols and our club, running efficiently and effectively

Brian Sedivy Adam Rees

JUNIOR CLUB CAPTAINS' REPORT

The 2015-16 season saw the launch of the new Cadets Program being received well. After many conversations the program kicked off with a night at our clubhouse that brought together a number of young members and allowed them to network and realise the opportunities available through SLS. It is anticipated this will continue to develop that strong network.

This season we also introduced a new award to recognise the young members who are really making a difference within our club. It was with great pleasure we presented the new "Rookie Award" to Lani Goodman at the Club Presentation Night. We couldn't have picked a better role model to demonstrate what we

anticipated this award would represent. Thank you to Sam Broomfield and Build By The Sea for his generous sponsorship of this award.

Our Open Day again had little interest from the public but we were still prepared for anyone who may turn up as will be the case in coming seasons.

Sarah Goodman and Joel Ruttiman proudly represented our Club as our selections for the SLSNSW Junior Lifesaver of the Year Program positions. Unfortunately they were unsuccessful on Branch selection but the networking and development they both underwent was truly rewarding. We wish them all the best and look forward to seeing their lifesaving career unfold.

Thank you to Trevor Acason for his facilitation of the Surf Rescue Squad and congratulations to the 8 members on the successful completion of the award. Again our Under 14 age group really helped out and represented our Club at Carols by Candlelight, our Annual Black and White Bowls Day and the ANZAC March. These young members have made a smooth transition onto their patrols and have really settled in. We hope to see them all continue in their roles.

We would like to thank the Senior Committee and the Club for their confidence and support this season with all our endeavours and efforts. It has been a great season involving a number of opportunities to learn and develop our skills while also networking with some awesome people.

Patrick Mullan Jackson Della

Under 14 ready and able to assist with Carols by the Sea.

IRB CAPTAIN'S REPORT

Once again thanks to Bob Wright and Mick Slater for training of our drivers and crewpersons this season.

Congratulations to all members who gained awards this season.

A big thanks to Geoff King for his continued support.

Les Pepper

COMMUNICATION OFFICER'S REPORT

All Club radios were sent away to the authorised radio technician for their preseason check and returned in fully operational condition. To date, no reports have been received stating any problems with them. However, upon inspecting them post season, corrosion deposits were evident on some of the radio battery terminals. During use, radios should be protected by the water tight accessories supplied by the Club. The use of these accessories will reduce this corrosion.

Over the coming seasons, our Club and others around the state will make the switch to digital technology. Digital technology promises improved clarity and capability, interoperability with other emergency services, compliance with regulatory changes and other benefits.

This change is significant and will require the replacement of our existing radio handsets so the new equipment will be compatible with the new system. Therefore, we need to be focused on maintaining our existing radio handsets rather than purchasing new equipment to avoid them becoming redundant when the switch occurs. The co-operation of members in caring for this equipment is appreciated and vital in ensuring our radios make it through to the digital switch.

Lastly, due to the balcony being removed the speakers for the Siren and Public Address System had to be reinstalled and reconnected which was completed preseason so the system was operational for the season.

Mick Slater

BOAT CAPTAIN'S REPORT

Our Club had another successful season from the boat crews, with impressive results in competition throughout the season thanks to a lot of hard work put in.

In the North Coast Surfboat Premiership Woolgoolga was placed second in the Open Men after leading all season. We had a rough day to blow the lead as it was a double points day, the Masters 160 Men came third and the Masters Women were first. We came second in the Reserves, which was made up of Masters and Open Men Rowers. It was a great effort by all who competed.

The Open Men's Crew, the Barracudas, was made up of Geyne Feeney, Brian Sedivy, Neil Baker, Dan Stewart and sweep, Trevor Clark. This crew put in a long season in the North Coast Boat Series leading all the way until last day. They were third in the N.S.W. Country Titles after leading the final by 30 metres were mowed down from behind by 2 crews catching a wave whilst rowing in no man's land in a rip. Woopi had a photo finish third at the State Carnival at Umina, rowing great through the heats. The crew had 8 rows for 5 firsts, 2 seconds and a third. The third knocked us out in the quarters. The Australian Titles at Alexandra Headland proved to be too long a season. The crew had strong results right up to the Aussies and started strongly once again progressing through to the semi-finals but unfortunately they were knocked out and narrowly missed the big show. It was a great effort all season from the crew.

Open Men's Crew

The Reserve Crew, the Mudcrabs, was made up of Adam Rees, John Portsmouth, Ian Thorncroft and Trevor Clark with sweep, Neil Baker. The crew was helped out all season by the other rowers in the club. They competed only in the North Coast Premiership and came a well-earned second with some very unlucky finishes and led all the way to the last day as well. Thank you to everyone that helped the crew all season filling in.

The Open Women's Crew was made up of Shari Genoli, Heather Burrows, Julie-Anne Templeton and Sonya Durning with sweep, Neil Baker. There were also fill-ins from the Masters Women. This crew competed in the Premiership and the N.S.W. Country Championships. They rowed very well and their results never reflected the effort and ability of the crew. They were the fastest women's crew at Country Titles but were extremely unlucky in the final, rowed well in the Premiership finishing 6th. Well-done Neil for keeping the girls together till the end and they will be better for the experience.

Woopi Women Rowers

The Masters 160/200 Men's Crew was made up of Ian Thorncroft, Adam Rees, John Portsmouth , Trevor Clark and sweep, Neil Baker. This crew had another great season. They were third in the North Coast Premiership and the Craft Carnival, second at Country and Gold at State. Unfortunately a rough alley at the Aussies caused too much damage with the crew coming in 4th in the Final. They had a good strong season for a crew with many injuries and interruptions throughout the program.

Masters Men's Crew

The Masters 160 Women's Crew, Berrylicious was made up of Belinda Schofield, Bernie Richardson, Melissa Hyder, Shari Genoli and sweep, Neil Baker. They had an awesome season winning the North Coast Premiership, gold at Country and at the Aussies another 4th place in the Final. This was a great effort from the girls who were very unlucky at the Aussies and were strong all year. Well-done, ladies.

Masters Women's Crew

A big thank you to all the sweeps and fill-in rowers throughout the season, A big part of our success is our fundraising to keep our gear up to scratch and the best available. Unfortunately only a few members helped with the raffles and the golf day. A huge thank you to those helpers for keeping the funds up to pay entry fees, repairs and equipment. The Seaview Tavern continues to look after us and our sponsors are fantastic.

We participated in two river rows in the last off season, the Manning Croker Run and the Grafton to Yamba Clarence River Row, These were great times and it was an awesome way to spend a weekend, work up a thirst and enjoy great camaraderie. I hope everyone can return and participate in the Manning Row and the Hastings Row this coming off season.

Special mention to our Sydney-based coach, Rob Burgess, who spent many hours helping out coaching the crews all season, creating programs, as well as travelling to many carnivals to fine tune our rowers. Many thanks, Burgo, from all of us at

Woopi. Also thank you to our photographers, Dave and KC, for your valuable help all season and valuable assistance, along with sweeping from Brian Sedivy Cheers to you guys.

Our Boatie of the Year went to Neil Baker who picked up a swag of medals both rowing in the Open Men and sweeping three crews. This was a huge effort and we all appreciate Neil so much as he is the backbone and future of our Club in surfboats and the best bloke you will ever meet.

Looking to another great season in 2016-2017, hoping all rowers return and we get some new members into the Club, especially in the younger divisions, male and female,

Yours in Boat Rowing. Keep on strokin'.

Trevor Clark

Congratulations Woopi Rowers

CHIEF TRAINING OFFICER'S REPORT

Awards obtained by Woolgoolga Surf Club members in the 2015-2016 season

Bronze Medallion – 19

Surf Rescue Certificate (CPR Endorsed) - 8

Silver Medallion IRB Driver – 1

IRB Crew Certificate – 4

Radio Operator Certificate – 0

First Aid (AID) – 12

General – 63

Ted McCartney

CLUB COACH'S REPORT

Congratulations to all those who represented the Club as competitors during the 2015-2016 season. It was a commendable effort by all, Juniors included.
It has been a pleasure to coach and train the board and ski contingent this season.

Thank you to Mick Slater and Jim McCullagh for all the hard work and coaching throughout the season and Ken Cook and Scott Thompson for their work in the upcoming off season. To that core group of aspiring athletes who were often frustrating but always fun and rewarding to coach, I thank you for your camaraderie and support.

Congratulations to those members who won medals at the Country Titles.

Thanks also to those who attended the Club Championships Day, hoping for bigger and better attendance next year.

Congratulations also to our medal winning Boaties.

Ted McCartney

Reilly Dalton, with his sister Darcy, after winning his medals at the Country Championships at South West Rocks.

U19 Female	Madeline McCullagh
U17 Male	Ryan Birchall Bayley White Jacob Sutton
U17 Female	Lani Goodman
U15 Male	Grant Cook
U14 Male	Lachie Bell
U14 Female	Alice Schweikert

FIRST AID OFFICERS' REPORT

The First Aid room experienced a number of much needed changes to maintain our facilities while the new clubhouse is still progressing. This year a new first aid locker was introduced, shelving installed for spinal collars and a new soft pack First Aid Kit purchased. All of the features will significantly contribute and support our lifesaving operations in the coming seasons.

The 2015-16 season saw a total of 14 rescues, 15 First Aids and 367 preventative actions. This is a terrific effort by our members and a key indication of the important work we undertake.

Thank you to the senior committee for their ongoing support of the work we have done within the First Aid Room - notably Sue Neil, Trevor Acason and Bob Wright for their ongoing support and advice.

Patrick Mullan and Jackson Della

Jackson Della instructing Junior Members

CLUBHOUSE DIRECTOR'S REPORT

This season saw contractors remove the balcony due to safety concerns, replace the windows in the Gym and refurbish the Club's barbeque. The toilet facilities receive a much need coat of paint, many thanks to Brian Sedivy for organising the paint and Neville Cleary for donating his time to do the painting and the other little jobs which popped up around the place during the year. We also saw a new floor go down near the boat entry/exit section of the clubhouse and many thanks go to Nigel and Jackson Della, the father and son team, for donating their time to do this work. Jackson has also teamed up with Patrick Mullan and the pair revamped the First Aid Room with dad, Nigel, taking a supervisory role on this occasion. Well done to both. Finally, but not least, many thanks go to Doug Sykes for donating his time to clean the clubhouse throughout the year.

Mick Slater

PRESENTATION NIGHT FOR SEASON 2015-2016

Awards for the night were:

Club Person of the Year
Jackson Della presented by Kerry Clancy, NC Branch President

Encouragement Award
Nigel Della, JAC President, presenting the award to Jacob Sutton

Club Champions 2015-2016.

Patrol Efficiency awarded to Patrol 6 with Patrol Captain, Kirt Mavin, presented by Kevin Clancy, Secretary, NC Branch

Boatie of the Year
Trevor Clark, Boat Captain, presented the award to Neil Baker.

Boatie Encouragement Award
Julie-Anne Templeton accepts her award from Trevor Clark, Boat Captain

Bronze Medallion Awards
presented by Sue Neil, (on the left) NC Branch Director of Education

The Outstanding Contribution to our Club Award was awarded to Dave Tierney

WOOLGOOLGA S.L.S.C.
JUNIORS

JAC PRESIDENT'S REPORT 2015-2016

105 Nippers registered for the 2015-2016 season.

The season commenced on the 11th October, 2015, with the last day of Nippers being 13th March, 2016. The season's calendar consisted of 20 weeks including carnivals. Conditions allowed Nipper Activities to be held every week except for two.

In summary the Nippers' Season included:

- 1 Nipper competed at the State Championships at Umina.
- 37 Nippers competed at the Country Championships at South West Rocks.

- Approx. 50-60 Nippers attended each of the 3 Branch Carnivals.
- 3rd position in the Junior Branch Championships held at Sawtell.
- Joel Ruttiman and Sarah Goodman represented the Club in the Junior Life Saver of the Year Competition.
- Sarah Goodman and Sam Hodgson were selected to represent the North Coast at the Interbranch Carnival.
- Alice Schweikert was named Junior Club Person of the year.
- Sam Hodgson was named Junior Club Champion.

It was great to see such a large team attend the Country Titles with many first season members making up the team. Well-done to them and their parents for the effort and hopefully next season's team will be bigger again.

Eight U14's completed the Surf Rescue Certificate and 6 attended the North Coast Branch Development Camp in November at Bonville. Thank you to Trevor Acason, Jackson Della and Patrick Mullan for facilitating the course.
All U14's were included on the Club's Patrol Roster and hopefully the majority continue on with the Club as competitors, patrolling volunteers or both. It is rewarding to see these Nippers mature from children to proficient patrol members. Thank you to Age Managers Nic Bell and Tina Ruttiman for helping the U14's through their final Junior Season.

Ted McCartney again showed his commitment to the Juniors by providing board training throughout the season. Thank you to Ted.

Financial support and donations for the season came from the Curryfest, the Chamber of Commerce, the Seaview Tavern and Tango Juice Bar. The Sunday BBQ again assisted in fundraising and many thanks to Carl and Lilly for their commitment.

The lack of Parent Volunteers for Officiating, Water Safety and Age Manager roles continues to be the biggest challenge for the Junior Committee and a new approach to filling roles may need to be considered by the Committee during the off season of 2016.

To this season's Committee Members, Age Managers, Water Safety, Officials and Parent Helpers, thank you for commitment this season.

I wish the Committee well for next season.

Nigel Della

New Clubhouse Advisory Group

A huge thank you to Ian Preston, Eddie Broomfield, Rod McKelvey, Rob Burgess and Gordon Abbott, for their tireless dedication to our Club. This group gave up a great deal of their own time, attending meetings and negotiating with Coffs Harbour City Council and the N.S.W. Lands Dept., planning for our new Clubhouse.

Without their knowledge, support and expertise we would not have made the great strides in our new Clubhouse becoming a closer reality.

Black and White Bowls Day

This annual event was held in January and raised over $7000 for our Club. The number of prizes from so many community donors was astounding and we

Many thanks to Tom Holder, Dennis Watkins, Peter Brown, Patrick Mullan, Jackson Della, John Eyles and Dave Tierney for being the backbone in organising the day.

C.ex Woolgoolga and ClubsNSW were most generous in being the main sponsors of the day.

Woolgoolga High School Work Experience

Eight students from Woolgoolga High School gained their Certificate II in Public Safety (Aquatic Rescue)/Bronze Medallion awards during their Work Experience period. This program was funded through Kingscliff TAFE.

Many thanks to Kath Bear for organising the program; Sue Neil, Jackson Della, Patrick Mullan, Ted McCartney, Mick Slater and Trevor Acason for training the students and Mick Slater and Bayley White for providing IRB assistance.

Beach To Bush Program

The Beach To Bush Program encourages Surf Life Saving Trainers to go out into country communities and teach students about surf awareness and safety so the children are better equipped when they visit the beach environment.

Sue Neil and Trevor Acason, representing our Club, brought the program to schools in the Glen Innes and Grafton areas, covering over 2000 students in a week.

Sue and Trevor had a most productive experience with the children proving to be most enthusiastic and responsive.

Our Members participated in this year's ANZAC Day March

A Warm Appreciation to;

- Those members who helped with raffles on Wednesday, Thursday and Friday nights.
- Adam Rees (Website), Brian Sedivy and Patrick Mullan (Facebook) for keeping our communications up to date.
- Everyone who helped with our Surf Awareness Days.
- All the members who marched for the Club on ANZAC Day.
- All the photographers who contributed to this report.
- All patrolling members who helped keep our beach safe.
