The new Club House gained a $350,000 grant this year with others in the pipeline. We now have approximately 1.5 Million towards the project. A big thank you must go to Rod McKelvey & Ian Preston for their expertise in applying for grants this year. Marine rescue has started its new building and should be finished by late July 2018.

Thank you to all the executive and board members for their assistance this season.

DIRECTOR OF LIFESAVING'S REPORT

Another successful season for Woolgoolga:

It's been a good year for Woolgoolga SLSC with no lives lost at our beach during patrol hours. We did however perform 15 rescues and carried out over 579 preventative actions which helped keep the community safe this year. While patrolling the water we also provided 38 first aid treatments. Our skills were also utilised at other beaches where club members provided assistance to other emergency services throughout the year.

A big thank you:

We would like to thank the Patrol Captains and patrolling members for their hard work throughout the season.

Thanks to the patrol sponsors who enable us to keep our life saving equipment maintained, up to date and compliant with Surf Life Saving regulations.

Thanks also to the trainers, assessors, and people who helped out and ran the proficiency days. We have been able to hold onto the majority of our Bronze and SRC members from last year who are now stepping up and furthering their qualifications. In doing this they have been setting a great example to the new Bronze and SRC members this year.

Most importantly, a big thank you to the committee members for all their hard work throughout the season. A lot of work occurs behind the scenes which isn't visible to everyone.

Patrol Efficiency Award:

Team 1 - Patrick Mullan, Trevor Acason, Robert Wright, Kim Morley, Paul Hunt, Harry Mower.

Team 2 - Peter Brown, Barry Mackenzie, Belinda Schofield.

Team 3 - Dean Evans, Diane Holt, Shari Genoli, Neil Baker.

Team 4 - John Eyles, Ted McCartney, Mick Slater, Julie-Anne Templeton, Ashleigh Slater, Gary Westwood.

Team 5 - Les Pepper, Dave Tierney, Stephen Hopkines.

We hope to see all the regular members back for the 2017-2018 season and welcome any enquiries for new memberships for the coming season. If you have friends or family interested in joining the Surf Club please contact us to discuss further as we need to increase our numbers to assist to keep our patrols, and our club, running efficiently and effectively.

JUNIOR CLUB CAPTAINS' REPORT

The 2017-18 season was yet again a successful season for the development of our younger members. I would like to acknowledge Jackson Della for his work over the many seasons he has been involved. Although still being very much active this season he has taken the opportunity to step back and take a break where possible. His contribution across the club is unquestionable and the projects we have both been involved in would not have been possible without him. Thanks mate!

It was with great pleasure to present Ashleigh Slater with the 2017/18 Rookie Award at this year's presentation night. The Rookie Award is to recognise those young members who are really making a difference within our club. Ashleigh was a great asset to our club this season completing 87.5 hours of patrol, making her the leading female patrol member. Further, she is a fantastic ambassador for the club, representing us at events such as ANZAC Day, and always being friendly and approachable especially when doing water safety and working with our Junior Club members.

Ella Wilson and Toby Fluechter proudly represented our club at the North Coast Branch, SLSNSW Junior Lifesaver of the Year Program selection. Both represented themselves, and our club with significant pride at the branch selections. Toby was fortunate enough to represent our club and branch at state selections, where, although missing the title, he did an amazing job. I had the privilege to be a part of the program as a facilitator and I cannot speak highly enough of Toby's efforts at the state level. At the same time, Joel Ruttiman and Ethan Striegher represented our club at the Youth Opportunity Makers Workshop, again representing themselves in a fantastic manner. I would like to wish all of them the best and look forward to seeing their lifesaving career unfold the future of our movement is looking bright.

Congratulations to our Surf Rescue squad on successfully completing this award. The 16 members of the squad have been invaluable assets to our patrol strengths. I must acknowledge Jackson Della and Trevor Acason for helping to train this squad and Ted McCartney for his confidence in allowing me to train the squad for another season.

Again, our Under 14 age group really helped and represented our club at Carols by Candlelight, our Annual Black and White Bowls Day and the ANZAC March. These young members have made a smooth transition onto their patrols and have really settled in. We hope to see them all continue into the future.

I would like to thank the Senior Committee and the club for their confidence and support this season. It has been a great season involving a number of opportunities to learn and develop while also networking with some awesome people.

The massive effort to get crews and gear to Perth was once again taxing and expensive but very rewarding with great efforts put in and once again flying the Woolgoolga SLSC flag at Aussies Perth keeping our club represented at majors.

This is noticed and appreciated by fellow competitors, officials and sponsors, which gives our club the edge above others when new prospective members arrive in the area and are looking for a strong club to patrol and compete at. Hoping for a bigger and better 2018-2019 with a chance we will have a junior crew as well as more rowers for all crews, bring it on and Go Woopi.

Yours in Surf Boat Rowing

Trevor Clark

IRB CAPTAIN'S REPORT

Congratulations to all members who gained awards this season.

A big thanks to Geoff King for his continued support.

COMMUNICATION OFFICER'S REPORT

All Club radios were sent away to the authorised radio technician for their preseason check and returned in fully operational condition. To date, no reports have been received stating any problems with them. However, upon inspecting them post season, corrosion deposits were evident on some of the radio battery terminals. During use, radios should be protected by the water tight accessories supplied by the Club. The use of these accessories will reduce this corrosion.

CLUB COACH'S REPORT

Congratulations and thanks those who represented the club as competitors during the 2017 – 2018 season.

It has been a pleasure to coach and train the board and ski contingent this season, although participation and consistency by our own club members left a lot to be desired.

Congratulations to those members of the training crew who won medals at the Country Titles, State Titles and Aussies.

Thanks especially to those who attended the Club Championship day and made it such fun event, hoping as always for bigger and better attendance next year.

FIRST AID OFFICER'S REPORT

The 2017/18 season saw our total statistics again increasing showing the importance of our members' presence on the beach. This season we had 15 rescues, 38 First Aids (2 of which required an Ambulance) and 584 preventative actions (2 lost children, 579 preventions, 2 searches and 1 shark alarm). This is a terrific effort and a key indication of the invaluable service we provide to keep all beachgoers safe.

Patrick Mullan instructing Junior Members

This season we had a variety of members' completing new First Aid awards.

CLUBHOUSE DIRECTOR'S REPORT

Once again, we managed through another season in our clubhouse. The front half of the club remains without lights and has intermittent power loses. Thank you to Mick and John for getting the air-conditioning working again in the radio room and Ted for fixing the taps!

As part of their community day, the start of the season saw Lendlease collaborate with Inspirations Paint Coffs Harbour and Handy Hire to give our clubhouse a much-needed facelift. The front deck BBQ area, ramp, bathroom floors and stairs were all cleaned and repainted! Thank you to Dave Grady for his organisation.

Again, a big thank you to Doug Sykes for the significant work he does maintaining a tidy state of our building. Although suffering an injury throughout this season, he was determined to be back as soon as he could. His absence clearly highlighted the significant role he plays in the early morning to maintain the state of our clubhouse.

JAC PRESIDENT'S REPORT 2017-2018

132 nippers registered for the 2017 / 2018 season.

Season commenced on the 15th Oct & the last day of nippers was the 18th March. Presentation day was held at the Seaview Tavern on the 25th March. The season's calendar consisted of 20 weeks including carnivals. Conditions allowed nipper activities to be held every week except for 1 due to inclement weather.

In summary the nippers season included:

- 36 nippers competed at the Country Championships at South West Rocks with some great results and plenty of nippers competing in finals.
- Approx. 50-60 nippers attending each of the Branch carnivals.
- As a result of inclement conditions on the 18th Feb. the Junior Branch Championships are now to be held next weekend the 25th March at North Beach.
- Toby Fluechter & Ella Wilson represented the club at the Branch interviews for Junior Life Saver of the Year. Toby was successful in being selected as the male representative for the North Coast Branch. In April he travelled to Sydney to attend the SLSNSW development camp and had a great time.
- Jak Snowling, Kobie Fox and Nick Alford were selected to represent North Coast at the Inter branch carnival.
- Junior Club Person of the year was Mikayla Holder & Junior Club Champion of the year was Nick Alford.

It was great to see such a large team attend the country titles. The nippers competed in good spirit and were great ambassadors for the club. Thank you to our club officials and water safety who volunteered during the carnival. Special mention to Mick Slater who spent many hours during the weekend in the IRB.

13 U14's completed the Surf Rescue Certificate and all attended the North Coast Branch Development camp in November at Bonville. Thank you to Jackson Della & Patrick Mullan for facilitating the course.
All U14's were included on the clubs patrol roster and hopefully the majority continue on with the club as competitors, patrolling volunteers or both.

It is rewarding to see these nippers mature from children to proficient patrol members. Thank you to age manager Luke Fluechter who has had the group since green hats and has been a great contributor to the success of the group.
Ted McCartney again showed his commitment to the juniors by provided board throughout the season. Thank you to Ted. Thank you to Tango Juice bar & Subway who provided weekly awards for the nippers.

Parent volunteers for all roles across the organisation such as committee positions, officiating, water safety & age managers continues to be the biggest challenge for the club.

Thank you to Carl & Lily Mower who have managed the junior club BBQ for several seasons.

To this season's committee members, age managers, water safety, officials and parent helper's, thank you for commitment this season.

As this is my last season in the role as JAC president I would like to thank the club for the assistance and support they have provided.

I wish the committee well for next season.

Nigel Della

New Clubhouse Advisory Group

A huge thank you to Les Pepper, Ian Preston and Rod McKelvey for their tireless dedication to our Club. This group gave up a great deal of their own time, attending meetings, negotiating with Coffs Harbour City Council, N.S.W. Lands Dept. and applying for relevant Grants to fund our new Club House.

Without their knowledge, support and expertise we would not have made the giant strides forward in bringing our new Club a reality.

Black and White Bowls Day

This annual event was held in January and raised over $7000 for our Club. The number of prizes from so many community donors was astounding and appreciated.

Many thanks to John Eyles and his crew of helpers for being the backbone in organising the day.

Furthermore, CEX Woolgoolga and Clubs NSW were most generous in being the main sponsors of the day.

Beach To Bush Program

The Beach To Bush Program encourages Surf Life Saving Trainers to go out into country communities and teach students about surf awareness and safety so the children are better equipped when they visit the beach environment.

Sue Neil and Trevor Acason, representing our Club, brought the program to schools in the Glen Innes and Grafton areas, covering over 2000 students in a week.

Sue and Trevor had a most productive experience with the children proving to be most enthusiastic and responsive.

A Warm Appreciation to;

- Brian Sedivy and Patrick Mullan (Facebook) for keeping our communications up to date.
- Everyone who helped with our Surf Awareness Days.
- All the members who marched for the Club on ANZAC Day.
- All the photographers who contributed to this report.
- All patrolling members who helped keep our beach safe.

Our Members participated in this year's ANZAC Day March
