VALE

WILLIAM (BILL) STAFF: 1.3.1925 – 3.6.2020

It is with great sadness that we acknowledge the passing of Life Member and former President William (Bill) Staff.

Bill served in the Royal Australian Navy during WW2 and the NSW Fire Brigade and was a life member of the Woolgoolga Surf Club. He served as President of the Club during the seasons of 1993-94, 1995-96 and 1996-97 and was a highly valued member right up until his passing.

Bill passed away peacefully on 3 June 2020, aged 95. A private cremation was held in line with Bill's no fuss wishes.

Rest in Peace Bill.

PETER BROWN: 16.5.1938 - 25.8.2019

We solemnly acknowledge the passing of Life Member, Peter Brown.

Peter was a patrolling and committee member of Woolgoolga SLSC who up until shortly before his passing was selling raffle tickets at the Moonee Traven to raise money for the Surf Club. He was well respected and will be sadly missed by his family, friends and Club Members.

A funeral service was held for Peter on 2 September 2019 at St Francis Xavier Catholic Church. As a sign of respect, Club Members wore their red club shirts and formed a Guard of Honour at the conclusion of the Ceremony.

May Peter Rest In Peace.

SECTION 2: Reports

PRESIDENT'S REPORT

Les Pepper

It's been a long 12 months and I am pleased to report our new surf club is finished. I am looking forward to seeing everyone start this coming patrol season in our new club.

Without the excellent organising an building skills of Jim Phillipidus, our builder, this project would still be in the construction stage. There are not many builders that could pull off this feat starting a 3.9 million dollar building in March 2019 and finishing it in May 2020.

It had been a mammoth effort by all of the building trades to complete this project on time and to budget.

Rod McKelvey and Ian Preston have toiled with hundreds and hundreds of invoices and hundreds of pages of progress reports and milestones to Govermnent bodies, both State & Federal. I can't thank them enough for their work.

HUMBLE BEGINNINGS
Original Clubhouse built1935

John Eyles has done an excellent job in handling all of the money transactions for the project, as has Mick Slater with the administration side of the project.

With this COVID-19 situation we are unable at the moment to have the official opening but we will notify everyone when this will happen.

END OF AN ERA
Serving Members since 1956

The season has come to a rather different end this year stopping patrols eight weeks before its end.

Once again I am happy to report zero lives lost this patrolling season.

A big thankyou to all our members who performed their patrol duties this season.

On a sad note we lost Bill Staff this year. Condolences to his family. Bill was a life member of our club and a former President/radio officer. He will be sadly missed.

FIT FOR A NEW CENTURY
New Clubhouse 2020

Congratulations to Nick Alford for being named Male Junior Lifesaver of the Year for North Coast Branch. Also congratulations to all of our competitors both junior and senior in this difficult season. I would like to thank all members of our committee for their help this season.

REPORT: Director of Lifesaving

Brian Sedivy

Season 2019/2020 who would have predicted it would turn out the way it did.

September 2019 patrols started off the same as they always do, we passed the Branch gear inspection ready for the first patrol of the season, everything is running to plan. December arrives and along with it our Junior Under 14 members obtain their Surf Rescue Certificate (SRC) allowing them to join our patrol teams and contribute their time to patrol the beach with the Senior Club Members. This season had one of the largest numbers of Under 14's move on to participate in our volunteer patrols, which is great for the Club. Thank you to the parents, Age Managers, and the Nipper Committee for keeping this group involved in our organisation and supporting the future membership of our Club. These teenagers have been a great boost to our ageing patrol teams.

With only 5 weeks of patrols to go, along comes the global pandemic brought on by COVID-19, and this changed everything. Our patrols stoped, members of the public were told not to go to the beach unless it was for exercise and only with appropriate social distancing in place, we were unable to have our annual Club Championships, and we couldn't have an end of year presentation due to concerns for the safety of our members and the restrictions placed on public gatherings. Due to this unplanned and abrupt end to the patrol season, we made the difficult decision not to award the Patrol Efficiency Award this year.

While our usual beach patrols ceased early due to the pandemic, we were however tasked by Surf Life Saving NSW to have our Callout Support Ski Operators provide surveillance patrols for the rest of the usual patrol season. A big thank you to those Club Members for participating in the extra patrols and taking time away from their families in what were very uncertain times for all.

THANK YOU

We would like to thank the Patrol Captains and patrolling members for all their hard work throughout the season.

Thanks to the patrol sponsors who enable us to keep our life saving equipment maintained, up to date, and compliant with Surf Life Saving regulations.

Most importantly, a big thank you to the committee members for all their hard work throughout the season. A lot of work occurs behind the scenes which not everyone gets to see.

PATROL EFFICIENCY AWARD

Not awarded in 2019/2020 due to COVID-19

100% PATROL HOURS

This year we had 42 members completing 100% of their rostered patrols which is a big increase on previous years. It was great to see that the majority of the under 14's on this list. 100% patrol members are:

TEAM 1: Patrick Mullan, Trevor Acason, Bob Wright, Nic Casey, Harry Mower, Toby Fluechter, Ella Wilson, Emily Burgess

TEAM 2: Doug White, Barry Mackenzie, Belinda Schofield, Ian Thorncroft, Michael Lane, Nicole McKay, Luke Bell, Scott Holder

TEAM 3: Dean Evans, Diane Holt, Peter Burrows, Meggen Matthews-Frederick, Daniel Stewart, Johanna Tarrant

TEAM 4: John Eyles, Ted McCartney, Mick Slater, John Ruttiman, Ash Slater, Gary Westwood, Chloe Slater

TEAM 5: Les Pepper, Dave Tierney, Amy Duffy, Alex Wells, Glynis Treuer, Arabella Chaplin, Amy Wise, Lily Wise, George Wells, Nick Alford, Jake Wise

TEAM 6: Brian Sedivy, Kirt Mavin, Melissa Hyder, Grant Cook, David Tredinnick, Skye Birkett, Jack Snowling, Emily Snowling, Jed Freudenstein

We hope to see all the regular members back for the 2020-2021 season and welcome any enquiries for new memberships for the coming season. If you have friends or family members interested in joining the Surf Club please contact us to discuss further. We are always looking to increase our numbers to assist to keep our patrols and keep our club running efficiently and effectively.

REPORT: Junior Club Captain

Patrick Mullan/Ashleigh Slater

The 2019-20 season was another successful season for the development of our younger members despite ending like no other. It was with great pride to welcome Ashleigh Slater in sharing the Junior Club Captain role after working with her for a number of years through her SRC and lifesaving development.

Acknowledgement must go to all our Cadet members and Nippers for their involvement and achievements this season. Our Junior Committee had another successful season with the delivery of the Junior Activity program with a significant increase in participation.

Unfortunately, due to COVID-19 and the premature end to the season and cancellation of our presentation evening the Rookie of the Year award was not presented this year. The Rookie Award is designed to recognise those young members who are really making a difference within our club and encourage them to continue with their surf lifesaving passions.

Emily Bell and Nick Alford proudly represented our club at the North Coast Branch, SLSNSW Junior Lifesaver of the Year Program selection. Both represented themselves, and our club with significant pride at the branch selections. Nick was selected to represent our club and branch at the state program but unfortunately this was postponed due to the Covid-19 pandemic. Nick however participated in the Zoom interview process and although being unsuccessfully represented our club and branch with great distinction. Further continuing our tradition of having strong representation at the state camps, Ainsley Dalton and Damon Striegher were selected to attend the Youth Opportunity Makers Workshop which was again postponed. We hope they will get the chance to participate in a future program and wish all of them the best and look forward to seeing their lifesaving career unfold – the future of our movement is looking bright.

Congratulations to our Surf Rescue squad on successfully completing this award. The 17 members of the squad have been invaluable assets to our patrol strengths. They have enthusiastically joined their teams and have assisted also on Sunday as Water Safety for our juniors.

Again, our Under 14 age group really helped and represented our club at Carols by Candlelight and other community activities showcasing that Surf Lifesaving goes 'beyond the flags'. These young members have made a smooth transition onto their patrols and have really settled in. We hope to see them all continue into the future.

A big thank you to the Senior Committee and the club for their confidence and support this season. It has been another great season with lots to learn.

REPORT: Boat Captain

Trevor Clark

Woolgoolga Boaties once again proved to be a strong and united force finishing first in the North Coast premiership along with winning five Gold medals at Country and one medal at State. Every team medalled at NCBS and Country. Congratulations to all who competed and helped.

Open men's crew, Geyne Feeney, Zade Goodenough, Neil Baker, Dan Stewart and Sweep, Damien McSkimming finished with Gold in the North Coast Premiership; were finalists in the Battle of the Boats, finishing fourth; and rowed strongly at the State Battle of the Boats. A huge effort and huge amount of commitment and training. Massive congratulations for their seasons efforts. They will be a major force again next season.

Reserve Grade Men's, (Sweep) Trevor Clark, Nic Casey, Peter Burrows, Brad Casey, and David Trednick all the making up and filling in the crew performed above expectations coming in first in the Premiership and gold at Country. Great effort, will improve greatly next season.

Open Women, Meg Matty-Fred, Johanna Tarant, Madi Brown, Jess Barber, Mitanne Dougherty and (Sweep) Damien McSkimming had a great season winning gold in the North Coast Boat Series Semi Finals ASRL Open and were ever improving. Well done girls. During the season Shari Genoli, Lindy Schofield and Mitanne Doughney came in and helped out where required, competing at State and being very unlucky. Awesome effort by all.

Masters Men 220, Ian Thorncroft, Trevor Clark, Wayne Bailey, Denis Crossley and (sweep) Dean Slater won gold at Country Gold in NCBS and fourth at State. Great to see the return of Whacka and Croz. Better luck next season.

Masters Women, Shari Genoli, Belinda Schofield, Amy Duffy, Nicole McKay, Mitanne Dougherty and (sweep) Trevor Clark had another good season, coming first in the Premiership Gold at Country. They did not compete in other carnivals. Well done ladies! The ladies put in some great efforts in some harsh conditions.

Masters 160 men, (sweep) Trevor Clark, Damien McSkimming, Gary Bell, Peter Burrows, Tim White, John Portsmouth, Mick Lane had a big season, winning gold at Country, silver at NSW State Titles and silver in the North Coast Premiership. Wow - what a great collection of medals from this crew! What would happen if we train next season?

Huge thank you to Gary Bell who trained the crews, swept all crews at training at different times as well as training our up-and-coming junior crew. Massive effort from Gary and very appreciated by all. Also to him and his wonderful wife, Toni who officiated at carnivals so we could compete. Also for rowing in our 160 Masters Champion Crew.

Such a shame the season was cut short and crews didn't get to show their wares at season's end where all our training was aimed. Thank you Bob Burgess for training the Opens and Open Women at times throughout the season. We will have a season presentation soon depending on COVID.

Big thank you to all who contributed ... Ian Thorncroft , Pete Burrows, Meg, Dan Stewart, Mitanne, Schoey, Nicole, Shari and many others for their tireless help with Seaview raffles and all others who came along and helped with the raffle. Huge thank you to Meg and all her helpers at the Moonee raffles; all who helped with the Golf day which was our major fundraiser once again; John Portsmouth with trailer repairs; Emma Casey always taking and distributing photos; and all those who helped at the BBQ on our carnival day. We cannot thank all you people enough for your contribution.

Kurt Mavin, Brian Sedivy, Alan Stenning, Bob Wright and Michael Slater who spent the day in the IRB at our carnival - great effort once again - thank you. All others who helped and drove/crewed at our carnival and generally helped - out I thank you so much.

Fellow competitors notice and appreciate the massive effort crews put in to keep the WSLSC flying at carnivals. Thank you officials and sponsors. All the travel and competition results gives our club the edge above others when new prospective members arrive in the area and are looking for a strong club to patrol and compete at.

Our sponsors this season for our new boat which we christened were Seaview Tavern, Harvey Excavations, East Coast Accessibility Experts and Mullaway Early Learning Centre. Thank you so much for your support.

Hoping for a bigger and better 2020-2021. With a chance we will have a junior crew as well as more rowers for all crews. Bring it on and Go Woopi!!!

REPORT: IRB Captain

Les Pepper

Congratulations to everyone who gained their drivers or crewperson award this season. Thanks to Neville Cleary & Bob Wright for their help this season.

Again thanks to Geoff King for his continued support.

REPORT: Communication Officer

Mick Slater

All Club radios have been replaced with the new Hytera PD985's and are in a fully operational condition. During use, radios should be protected by the water-tight accessories supplied by the Club. The use of these accessories will reduce not only corrosion from the salt water but also wear and tear.

REPORT: Chief Training Officer

Ted McCartney

Congratulations and thanks those who represented the club as competitors during the 2019-20 season.

It has been a pleasure to coach and train the board and ski contingent this season, although participation and consistency by our own Club members still needs to be addressed.

Congratulations to those members of the training crew who won medals at the Country Titles. Everything else having had to be cancelled due to COVID-19.

REPORT: First Aid Officer

Patrick Mullan

It is hard to get an accurate reflection on our 2019-20 season statistics due to the forced early shut down of the season due to the COVID-19 pandemic. Despite this we still logged:

- 2 rescues;
- 20 first aids consisting of two fractures/dislocations (eight minor), nine marine stings and one 'other';
- 431 preventative actions consisting of 14 advised/warned, 329 preventions and eight warning signs due to dangerous surf.

This is a key indicator of the great and vital work our members do whilst patrolling our beach and protecting our community and visitors.

This season we had a variety of member's up-skilling or completing new first aid related awards.

AWARD	MEMBERS
Advanced Resuscitation Techniques [AID]	2
First Aid [AID]	1
Provide Cardiopulmonary Resuscitation (via SRC)	13
Silver Medallion Advanced First Aid	2

As always, a big thank you to the senior committee for their ongoing support. A notable mention to Jackson Della, Mick Slater and Bob Wright for their ongoing support provided to first aid.

REPORT: Clubhouse Director

Patrick Mullan

Another season in our clubhouse has ended and the flags are down for another season. We hope this will have been the final full season in our current club with operations hopefully transitioning to our new home in the coming season. It is timely to acknowledge the work of Rod McKelvey and Ian Preston, along with the Club Executive for the work they have put in to getting us to this stage.

The front half of the club remains without lights and has intermittent power loses. The building has continued to deteriorate rapidly this season with a gutter leak resulting in a water feature temporarily making its way through the roof in our kitchen. Thank you to Nev Cleary for his work in patching this up for the time we remain in the building.

Again, a big thank you to Doug Sykes for the significant work he does maintaining a tidy state of our deteriorating building. It is unquestionable the significant role he plays in the early morning to maintain the state of our clubhouse and the passion he has in doing this.

SECTION 3: Awards

With the 2019-20 season being cut short with the emergence of COVID-19, the awards ceremony was unfortunately not held.

A special mention to Nick Alford who proudly represented the Club as the North Coast Branch Junior Lifesaver of the Year (pictured here with the female representative, Nikita Braine of the Red Rock-Corindi Club).

SECTION 4: Community Engagement

FUNDRAISING

The annual major fundraiser for the Club, the Black and White Bowls Day was held in January and raised over $2,700 for our Club. The number of prizes from so many community donors was greatly appreciated and helps to make the event a huge success, year-in year-out.

Many thanks to John Eyles and his crew of helpers for being the backbone in organising the day.

Thanks too to CEX Woolgoolga and Clubs NSW who were most generous in being the main sponsors of the day.

COMMUNITY PROGRAMS

The Beach to Bush Program encourages Surf Life Saving Trainers to go out into country communities and teach students about surf awareness and safety so the children are better equipped when they visit the beach environment.

Sue Neil and Trevor Acason, representing our Club, brought the program to schools in the Glen Innes and Grafton areas, covering over 2,000 students in a week.

Sue and Trevor had a most productive experience with the children proving to be most enthusiastic and responsive. Thank you for your contribution, dedication and commitment to the program.

SECTION 5: Acknowledgements & Thanks

On behalf of the Club, we extend a warm appreciation to:

- Brian Sedivy and Patrick Mullan for keeping our social media network up to date and engaging;
- All the photographers who contributed to this report;
- All Patrolling Members who have helped keep our beach safe and our club COVID Safe.
